

Lincoln Elementary School
"Home of the Little Devils"
Board Report for May 25, 2016

- ❖ An assembly to kick off K-PREP testing was held on 5/4. The theme for this year's assembly was "Superheroes: Super Students Testing."
- ❖ Students completed the state assessments known as K-PREP on 5/5-5/11. The effort of our students was amazing as they worked their hardest aiming for proficiency. Students who scored well on the Good Faith Rubric will be treated to a grill out at the park on 5/25.
- ❖ The LES Awards Ceremonies was held on 5/19 and 5/20. Students received medals of accomplishment for their academic excellence in the classroom. Students also received recognition for having perfect attendance, making the honor roll/super honor roll, participating in speech and drama, and winning the classroom chess tournaments. The end of the year preschool celebration was also held on 5/18 at 10am and 1pm with student recognition items and a slide show.
- ❖ LES students have currently read a total of 19,682 AR books which surpasses last year's total at this time by over 6,500 books. The goal is to keep the momentum going this summer by challenging our students to read more and opening up our library on Mondays and Wednesdays from 10am-1pm. LES will also be hosting a *Box of Books* event on 5/24-25 to help arm our children with free books that can be read this summer. Each student in grades K-1 will be receiving a summer learning activity calendar while students in grades 2-6 will receive a summer reading novel.
- ❖ Summer learning will be a major point of emphasis this summer for our children as we have planned many intentional activities for them. The following activities will occur this summer to help address summer learning gaps: intermediate summer school, 21st Century Grant summer program, Me and My School Kindergarten Readiness sessions, primary boot camp, summer reading challenge, LES Library open hours, drama camp, chess camp, and summer enrichment lessons for each grade level.
