Donna Hargens, Superintendent
Jefferson County Public Schools
P.O. Box 34020
Louisville, KY, 40232

Dear Donna Hargens:

Tyler Stevens has been selected to serve in the District 180 School Turnaround Initiative Program for fiscal year 2016-2017. A Memorandum of Agreement (MOA) will be granted on a year-to-year basis. The governing statute, KRS 158.782, requires that individuals assigned for assistance purposes shall be granted professional leave in accordance with KRS 161.770. Further, KRS 158.782 also guarantees that the educator shall lose no benefits.

A calculation worksheet and instructions for completing it on Tyler Stevens will be e-mailed to your finance and business office. Please indicate his annual salary effective July 1, 2016, the number of workdays in his contract and any fringe benefit costs associated with his employment. To expedite processing, the worksheet should be e-mailed back to Nicole Crosthwaite, Division of Budgets, at nicole.crosthwaite@education.ky.gov. Once Ms. Crosthwaite receives the worksheet, a final calculation sheet and MOA will be completed and sent to you for signature. These originals must be returned for processing; faxed or scanned copies cannot be accepted. Please send them to Ms. Crosthwaite's attention at: Division of Budgets, 500 Mero Street, 16th Floor, Capital Plaza Tower, Frankfort, KY 40601. Should you have any questions, contact her by email at nicole.crosthwaite@education.ky.gov or call 502-564-1979, ext. 4328.

Each school year, local districts lend the services of teachers and administrators to the Kentucky Department of Education to fill some of its vacant positions. In providing for this arrangement, the legislature envisioned a unique working relationship that provides new experiences to the individual, which the person would not usually gain in the classroom environment, and brings fresh and original ideas and talents to the department.

Thank you for allowing Tyler Stevens the opportunity to bring expertise and knowledge to a broader range of students across Kentucky. The information and experience he will gain from this short-term employment opportunity will be of great benefit to your district upon his return. We believe this arrangement will be of great value to the department as well and look forward to working with Mr. Stevens. Specific details concerning the school assignment will be forthcoming from the District 180 School Turnaround Program. If we can help in any way or answer any questions, please contact Jason Radford at 502-564-2116, ext. 4038, or via email at jason.radford@education.ky.gov.

The Kentucky Department of Education reserves the right to redirect the scope of work for this Personnel Memorandum of Agreement in order to focus on Senate Bill 1, 2009 and other related activities as appropriate.

BASIC FUNCTION: The Educational Recovery Leader (ERL) will be responsible for mentoring of and guidance to the principal in a persistently low achieving school as identified through the criteria set forth in No Child Left Behind, KRS 160.346 and the Kentucky Department of Education regulations with any and

all functions relating to instructional leadership and school improvement.

DISTINGUISHING CHARACTERISTICS: The Educational Recovery Leader (ERL) will be under the authority of and the leadership of the Office of Next Generations Schools & Districts, the Kentucky Department of Education. SALARY: District Salary per day multiplied by 235 (number of KDE contract days) and any district level stipend plus 20% ERL stipend equals total salary not to exceed \$105,000.

The contract cost for the district employee's services includes FY 2016 district salary, district level stipend, fringe benefits and school district indirect costs.

Since FY 2017 costs are not available for an effective date of July 1, 2016, an additional 3% of the contract cost is being added to the total amount of the original contract.

If the final cost is less than the original contract, KDE will pay the lesser amount. If the final cost is more than the original contract, KDE will generate a contract modification for the increase and will pay the contract in full.

Requirements for Reporting to Kentucky Teachers Retirement System:

Please note that, if contractor is a current retiree of the Kentucky Teachers Retirement System (KTRS), or proposes to use a current or potential retiree of KTRS to perform any work under any contract, this may have an adverse impact upon retirement benefits for that retiree. This contract authorizes funding for the contract period based upon the availability of funds.

The Kentucky Department of Education reserves the right to withhold or cease funding for non-performance, or breach, during the life of the contract, if it is in the best interest of the Commonwealth to do so.
