As we close the 2015 – 2016 school year, we reflect upon the goals which were established more than a year ago for each of our N KY districts. We are excited and happy to report that the NKCES staff more than achieved our goals and expectations throughout the region. Please see the attached report reflecting the monthly activity within each district from July 2015 through May 2016. Next month, we will include the final year end activity report closing the year.

Sincerely,

Regional Director of Special Education
