

Proposed Grant Information

School: TBJ ELC

Date: June 8, 2016

Grant Award Amount: \$50,000

Contact: Aleisha Sheridan

Describe the purpose/intent of the grant. Include the grant funding source. How long will the grant be in force? This application to the Preston Family Foundation is to provide \$25,000 in scholarship funding for scholarships for children who are attending TBJ ELC who do not meet the state income eligibility guidelines (160% of the poverty level), yet are still within 200% of the federal poverty guidelines. These can be considered our "working poor". There are currently 30 students who meet this criteria. The remaining \$25,000 of the grant would be an endowment in the Community Foundation of Henderson to be available for "Gigi's Kids" scholarships in the future. The grant funding is for one year.

Describe the components/work/salary/materials the grant will pay for. What is the time frame of the grant? Be specific.

The grant will pay scholarship fees for students who qualify financially. The grant will be available in August, 2016.

What components/work/salary/materials will the grant not pay for that will be necessary for the district to incur? Be specific.

Grant funds will pay all costs of the scholarships.

How will the grant be sustained? List potential ideas for the sustainability of the grant initiatives.

The grant's \$25,000 endowment to the Community Foundation of Henderson will help to establish the "Gigi's Kids" scholarship funds with the hopes additional donations will be made to ensure all preschool age students in Henderson County have the opportunity to attend TBJ ELC without financial barriers.

Proposed Grant Information

School: North Middle School

Date: June 8, 2016

Grant Award Amount: \$ 4,000

Contact: Harris Agisilaou

Describe the purpose/intent of the grant. Include the grant funding source. How long will the grant be in force? The "Fuel Up to Play 60" grant is designed to help schools secure equipment and materials to enhance instruction for health and physical education classes. The grant funding is for one year.

Describe the components/work/salary/materials the grant will pay for. What is the time frame of the grant? Be specific.

The grant will provide funding for physical education equipment (volleyball standards, sports balls, jump ropes, fitness equipment) and Nutrition education materials. The grant funds will be for the 2016-17 school year.

What components/work/salary/materials will the grant not pay for that will be necessary for the district to incur? Be specific.

Grant funds will pay for all the specified physical education equipment and Nutrition education materials being requested.

How will the grant be sustained? List potential ideas for the sustainability of the grant initiatives.

The physical education equipment requested will be utilized for many years. Other grants are being completed to find funding for needed Health and Physical Education equipment and supplies.

Proposed Grant Information

School: ELC

Date: June 8, 2016

Grant Award Amount: \$15,000

Contact: Rhea Isenberg

Describe the purpose/intent of the grant. Include the grant funding source. How long will the grant be in force? The ASCD Teacher Leadership grant is designed to foster teacher to teacher leadership in a project of their choosing. Rhea Isenberg, Preschool Media Specialist, is applying to begin a mentoring program between ELC and kindergarten teachers in two elementary schools. This pilot project is designed to facilitate technology-infused teaching strategies which are being utilized at ELC but are seldom used for Kindergarten students. The grant funding is for one year.

Describe the components/work/salary/materials the grant will pay for. What is the time frame of the grant? Be specific.

The \$15,000 grant will provide (2) Dash-Dot Robots; (2) iPads; (2) sets of Computer APPS; (2) 3-D printers and (1) Interactive Learning Table to be shared by the elementary schools. There is no salary/stipend for this grant.

What components/work/salary/materials will the grant not pay for that will be necessary for the district to incur? Be specific.

Grant funds will pay all expensed associated with the project.

How will the grant be sustained? List potential ideas for the sustainability of the grant initiatives.

The project will be sustained by the continued use of the technology devices for several year. The Teacher-Leader has expressed a willingness to continue mentoring other kindergarten teachers in the years ahead. The hope is that these devices will be considered for future funding through technology allocations on the school and district level.
