### **June Regular Board of Education Meeting**

2016 was an outstanding school year for Floyd County. We want to thank you our Board Team for your outstanding leadership for our KIDS, our Amazing Team of 1,000+ who continue to do "whatever it takes" for KIDS and our supportive community who continues to partner with us for our KIDS! This year we were ranked 15<sup>th</sup> in Kentucky out of 173 school districts, 1 of only 5 Districts of Distinction in Kentucky, we achieved our highest ACT scores in history, our highest attendance in history, highest graduation rate in history and our highest College/Career readiness rate in history. Overall, a super year of teaching and learning in Floyd County. We have over 6,000 of the brightest, kindest KIDS in the world right here in Floyd County.

We expect KPREP scores to be in the district sometime in late July or Early August and we are excited about our scores and will use the data to improve our district for our KIDS.

We are excited to report that we continue to meet our goal of "remaining fiscally solvent and efficient". We focus daily on this very important goal for our KIDS. Special thank you to you our Board Team for ensuring we meet this goal.

Lastly, while we continue to reach identified goals, grow as a team for kids and work to ensure we will reach new goals it is important to remind everyone that the very best thing that our TEAM of 1,000+ does daily for the KIDS of Floyd County is CARE DEEPLY for them and their success. The culture/climate in our schools is amazing and we have to thank our leadership across our district and all of our TEAM members for making this happen for KIDS. FC IS SIMPLY AMAZING!

It truly is an honor and an exciting time to serve our KIDS in Floyd County. Thank you for what you do for our KIDS, your leadership has been outstanding for our KIDS and our Team of 1,000+. It is truly an honor to serve with a team that lives by our Motto, It's All about KIDS. Have a great summer and see you soon.

We sincerely appreciate your leadership
