

Memorandum of Agreement

This Memorandum of Agreement (MOA) dated June __, 2016 between the Spencer County School District and Campbellsville University School of Education hereby contains the following provisions:

- Spencer County in collaboration with Campbellsville University (CU) will provide a two (2) year cadre to all new teachers hired to the district. Each cadre year will consist of 8 lessons (16 lessons total) that are planned and taught by a CU professor and a Spencer County district administrator. The CU professor will be the teacher of record.
- At the conclusion of the eight (8) first year cadre meetings, teachers who successfully completed the program will be given the opportunity to enroll in the CU Masters of Education program. Upon admittance into the program, CU will enroll each teacher into ED 655 during the G6 term for 3 hours of credit. Campbellsville University will charge \$750.00 for each teacher for the three hour course. Spencer County will pay \$500.00 of the tuition for each teacher. The teacher will be responsible to CU for the additional fee of \$250. This fee is contingent on a minimum of 3 teachers being enrolled into the Master's program.
- At the conclusion of the eight (8) second year cadre meetings, teachers who successfully completed the program will be given the option (if they have not previously already done so) of enrolling in a CU Masters of Education Program. Upon admittance or continuation of admittance into the program, CU will enroll each teacher into ED 660 during the G6 term for 3 hours of credit. Campbellsville University will charge \$750.00 for each teacher for the three hour course. The fee is contingent on a minimum of 3 teachers being enrolled into the Master's program.

It is understood that the tuition fee of \$750.00 per teacher will be an incurred expense for the teacher that will be owed to Campbellsville University.

Hereby agreed upon by,

Spencer County Representative
