## **DECLARATION OF SURPLUS AND INTENT TO SELL**

### **BACKGROUND AND RATIONALE:**

The Transportation Division has 7 buses that have exceeded their life cycle and are considered surplus due to the cost of maintaining them in a safe operating condition. Repair is not normally undertaken when the cost of repair exceeds 50% of the replacement value of the remaining prorated life of the vehicle. The vehicles listed below have met the age and repair criteria for replacement. The District is presently using ebay internet auction for vehicle/equipment disposal and advertises the auction on the FCPS Purchasing and Transportation web pages. This resource has produced substantially more return than other methods of disposal. Before listing on ebay, the District has in the past allowed other school districts to purchase the buses at fair market value. It is our intent to proceed down this path first. The proceeds from the sale of these vehicles will be deposited into the General Fund. The vehicles for disposal are listed below:
