This application is being submitted for (refer to current District Facility Plan):

1. Priority Category: 42. Discretionary Item Number: 4, 5

3. Minor project not listed on Facility Plan: _____

C. Provide a complete narrative of the proposed project. This project consists of converting the existing maintenance building (located on the Ockerman Campus) to house food service, technology and District storage, as well as overflow staffing for District-wide functions. The project will include minimal levels of renovation to bring the building up to code compliance with the addition of additional restrooms. Improvements will include both interior and site modifications for more public access. As part of this same BG is a new A/C system in the District's technology room (also located on the Ockerman Campus) which requires additional capacity.

D. Proposed work related to the project but excluded from the scope of this BG1: _____
