in expressing deepest sympathy to the Hatten and Berry Families and all who share in the profound loss of this esteemed citizen on June 10, 2016. The daughter of Betty Berry and the late Thomas A. This distinguished lady, a valued educator in the Union County School System and a passionate advocate for gifted and talented students who had served as a board member of the Governor's Board of Gifted Education and the Kentucky Association of Gifted Education, which presented her with the 2016 Kentucky Association for Gifted Education Service and Advocacy Award, is remembered on this day for the many and generous contributions she made to her family, friends and the community. Margaret Hatten will be deeply missed by all whose lives were touched by her remarkable presence.
