2016-2017 Recommended Revisions for the High School Athletic Guidelines

10/Admission Prices for Athletic Contests (cont.)			Baseball and Softball umpire's fees increase in 2016-2017 from \$55 for a varsity game- to \$70 for a varsity game with 32 regular season games= increased cost of \$480 for varsity. Then we have to consider the additional cost for Freshman and JV games which will increase the estimated operating expenses \$1,000 for the each team during their regular season.
11/Purchasing Procedures for Athletic Equipment and Maintenance and Inventory of Equipment	Each athletic director shall organize an inventory of athletic equipment and supplies by coaches in each sport. This inventory shall be taken annually, and copies shall be submitted to the school principal.	Each coach shall organize an inventory of athletic equipment and supplies by coaches for each sport. This inventory shall be taken annually, and copies shall be submitted to the athletic director and/or school principal.	Coaches are responsible for their team's inventory. They should report this information to the Athletic Director/or school principal
14/Eligibility Requirements	Students enrolled in grades 9-11 who have participated in any level of athletics, including cheerleading, follow enrollment in grade 9 and attend a school via an out of area request or renunciation of custody shall be ineligible for athletic participation for one calendar year from date of enrollment.	Any student in grades six through twelve (6-12) who attends a school other than his/her assigned school shall be ineligible for all interscholastic sport for one (1) calendar year following enrollment. See Fayette County Public School policy 09.313.	As reviewed by in house legal counsel the previous language was unclear. The new language is taken directly from policy and the out of area request form. Now we have a consistent message throughout the district
