Pre-trip preparatory activities:

At this time Beta members are unaware of the opportunity to attend the Beta Leadership Summit in Gatlinburg, Tennessee. Letters will be sent home informing parents about the possibility of attending the summit pending board approval. They will be given a copy of the agenda and benefits their child will receive by attending. As the trip approaches parents/Betas will be informed of any updates or changes. Beta sponsor will collaborate with teachers to prepare in advance for areas in which those attending can share information with the classroom upon return. Beta sponsor is collaborating with other Kentucky Beta Clubs for joined transportation via charter bus to the summit.

Post-trip activates:

The National Beta Club provides its member the opportunity to be challenged as leaders in the school as well as in the community. Beta members attending the leadership summit will come back with skills enhancing their ability to move into those leadership roles. Beta members will be expected to participate in school and community service projects.

Oral student presentation:

Beta sponsors will collaborate with teachers and students so that they are aware of materials they will be expected to cover in their classroom presentations. Having experienced the leadership summit, students will be prepared to take the lead role in any group discussions, activities or oral presentations.

The number of students attending is unknown at this time. The opportunity to attend the summit will be offered to all Beta Members of Bloomfield Middle School, Bloomfield Elementary School and Cocks Creek Elementary School. The board will be made aware of the number of students and chaperones when we have our final commitments.
