Re: August School Board Meeting

Dear John,

Shrout Tate Wilson (STW) will be present at the board meeting on Thursday, August 18, 2016.

In summary, both projects have been successfully completed on time and under budget. A couple of outstanding issues include:

- Review and submission of O&M manuals.
- Review of change orders.
- Seeding of geothermal well fields at both project sites.

We will be prepared to discuss these issues at the evening board meeting.

Sincerely,

Nick Morgan, PE
Principal
