- Cadet Thomas Wood ('16) selected for the University of Kentucky ROTC Minuteman Scholarship
- Multiple graduating seniors enlisted in or expressed intent to enlist or pursue military service

Extracurricular team activities listed above serve as positive impact opportunities for student involvement. Participation is voluntary to active members of the JROTC program (150+cadets/SY15-16) who maintain varsity qualifying grades in all subjects. Each team competed in local, regional and national (Rifle) events this past SY. All events/competitions' occurred on weekends. Each instructor brings unique skills gained from 20+years of military leadership and team building to his particular team. Per the mission of JROTC (To Motivate Young People to be Better Citizens) we encourage student cadets to lead by example, seek leadership opportunities, and practice community service.

HCHS JROTC teams supported over 130 school, school board and community events during SY 15-16 to include:
