

Come join us on August 24-26, 2016 as we present
Directors of Special Education/Special Education Legal Update Training

Presented by: Teresa T. Combs, Esquire

Come discuss your special education issues with an attorney highly experienced in special education, public school and personnel law.

This year we are asking participants to e-mail us scenarios you would like to discuss during the conference.

Hear how the special education law is changing constantly. Learn about current court cases, new hot topic issues, and more.

Hear about the limitations on how you can spend IDEA funds.

Learn basic personnel discipline requirements and timelines for school districts.

Whether you are a first time director, or experienced, you don't want to miss this opportunity to keep up with all the latest information!
