The Board shall compensate Contractor for Services satisfactorily performed through the effective date of termination.

ARTICLE X Termination for Default

The Board or Contractor may, by written notice of default to the other party, terminate the whole or any part of this Contract, if either Party breaches any provision of this Contract, or so fails to make progress as to endanger performance of this Contract, and in either of these circumstances, does not cure the breach or failure within a period of five (5) days after receipt of notice specifying the

breach or failure. In the event of termination for Contractor's default, the Board may secure the required services from another contractor. If the cost to the Board exceeds the cost of obtaining the Services under this Contract, Contractor shall pay the additional cost. The rights and remedies of the Board provided in this Article shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

ARTICLE XI Disputes

Any differences or disagreements arising between the Parties concerning the rights or liabilities under this Contract, or any modifying instrument entered into under Article VIII of this Contract, shall be resolved through the procedures set out in the Regulations.

If Contractor and the Contract Administrator disagree on any circumstance or set of facts pertaining to the administration or execution of this Contract, the Board shall resolve the matter after notification by either the Contract Administrator or the Contractor in the manner prescribed by the Regulations. If the Board fails to give notice to Contractor of the appointment of a Contract Administrator, the Contract Administrator shall be the Board's Chief Financial Officer.

- D. This Contract shall be governed and construed in accordance with the laws of the Commonwealth of Kentucky.

If Contractor has access to student records, Contractor shall limit its employees' access to those records to persons for whom access is essential to perform this Contract.

- H. During the initial term and any renewal terms of this Contract, and for a period of eighteen (18) months after the expiration or termination of this Contract, the Board agrees that it will not solicit, contract, engage, hire or employ any Trainer employed or retained by Contractor who provides services to the Board under this Contract.
- I. The Board may communicate to Contractor and Contractor may have access to certain information that is confidential under federal and/or state law including without limitation personally identifiable student information. Contractor agrees to treat all such information as confidential, whether or not so identified, and shall not disclose any part of that information without prior written consent of the Board. Contractor shall limit the use and circulation of such information to only those persons or entities necessary to perform the Services under this Contract. This confidentiality obligation shall not apply to any part of the information that (1) has been disclosed in publicly available sources of information; (2) is not in the possession of Contractor without any specific obligation of confidentiality; (3) has been or is hereafter rightfully disclosed to Contractor by a third party, but only to the extent that the use of disclosure thereof has been or is rightfully authorized by that third party; or (4) is present in a format that does not personally identify a student.
