Consent Agenda Item (Action Item): To create the position of Media Technician at Betsy Layne High for the remainder of the 2016-2017 school year.

Applicable Statute or Regulation: KRS 162.90 Powers and duties of the local board.

Fiscal/Budgetary Impact: Due to an increase in student enrollment for the 2016/17 school year, Betsy Layne High School was awarded an additional position. Our current certified staff is sufficient for our school schedule. BLHS SBDM has agreed to utilize the additional position in the area of Media Technician in our library. This was a position that was lost during the staffing process last year. The funding for the additional position will be in Section 6 to fund the Media Tech position, additional monies will increase funding to AIEP position with the remainder being used for instructional supplies. Job duties and salary shall be those currently adopted by the Floyd County Board of Education.

History/Background: It is anticipated that a Media Technician position would prove to be very successful at BLHS. The basic improvement goals will be in the areas of maintaining and supervising the media center at BLHS as well as providing technical support to all staff members and students.

Recommended Action: Approve as presented
