

## Proposed Grant Information

School: South Heights Elementary Date: September, 2016

Grant Award Amount: **\$25,000** Contact: Charlotte Baumgartner

**Describe the purpose/intent of the grant. Include the grant funding source. How long will the grant be in force?**

The FY17 Equipment Assistance Grants for School Food Authorities will be used to replace an oven at South Heights Elementary.

The grant funding is for a one-time purchase.

**Describe the components/work/salary/materials the grant will pay for. What is the time frame of the grant? Be specific.**

The grant will pay for the purchase of a new, efficient oven for the South Heights cafeteria. The grant is available for the 2016-17 school year.

**What components/work/salary/materials will the grant not pay for that will be necessary for the district to incur? Be specific.**

The \$25,000 grant will be used towards the purchase of a new oven and there is no expense that will be incurred by the district.

**How will the grant be sustained? List potential ideas for the sustainability of the grant initiatives.**

The grant provided is Round Two and the district is eligible to apply for South Heights Elementary school based on the percentage of free/reduced students.

**Other relevant information.** The district was a recipient of Round One grant funds for Jefferson and South Middle School

## Proposed Grant Information

School: Henderson County High School      Date: September, 2016

Grant Award Amount: **\$15,000**    Contact: Brian Ettensohn

**Describe the purpose/intent of the grant. Include the grant funding source. How long will the grant be in force?**

The P.O.W. grant funds will be used to support the School of Fine Arts through the purchase of needed a much needed new sound system for the auditorium.

The grant funding is for one year.

**Describe the components/work/salary/materials the grant will pay for. What is the time frame of the grant? Be specific.**

The grant will pay for a new sound system for the high school auditorium to be used by SoFA students, other high school programs/classes and for community events.

**What components/work/salary/materials will the grant not pay for that will be necessary for the district to incur? Be specific.**

Grant funds will pay all the costs for the sound system.

There are no costs that the district will incur.

**How will the grant be sustained? List potential ideas for the sustainability of the grant initiatives.**

The grant will be a one-time effort with the sound system providing years of service for the students and staff.

**Other relevant information.** The SoFA is reaching out to many community agencies for grant funding to help provide the equipment and program needs.

## Proposed Grant Information

School: Henderson County High School Date: September, 2016

Grant Award Amount: **\$2,200** Contact: Brian Ettensohm

**Describe the purpose/intent of the grant. Include the grant funding source. How long will the grant be in force?**

The Rotary Club grant funds will be used to purchase an overhead projector and pay for it's installation for the high school Auditorium.

The grant funding is a one-time allocation.

**Describe the components/work/salary/materials the grant will pay for. What is the time frame of the grant? Be specific.**

The grant will pay approximately \$1,500 for the overhead projector to be mounted in the ceiling of the auditorium and pay for approximately \$700 in installation costs.

The grant funds will be used for the 2016-17 school year.

**What components/work/salary/materials will the grant not pay for that will be necessary for the district to incur? Be specific.**

Grant funds will pay for the proposed projector and installation costs.

There are no costs that the district will incur.
