Superintendent Prior Approval: Yes

Recommendation/Motion: Authorize the Chairman and Secretary to execute a bus purchase authorization with KDE for 20 buses and to execute an equipment and security agreement between KISTA and the Board for a value of \$2,139,837.

Background/Rationale: We are presently on a 13-year cycle replacement for our school bus fleet. Considering the number of buses in our fleet (265), in order to keep up with the present replacement cycle, we will need to order approximately 20 buses this year. While the bus order will be made in November 2016, the buses will not arrive until mid-May 2017. These buses will be placed into service at the start of the 2017-2018 school year.
