Information Agenda Item: Review/Consider Low Bids for Fresh Fruit and Vegetable Program

Applicable Statute or Regulation: 7 CFR 3016 UNIFORM ADMINISTRATIVE REQUIREMENTS FOR GRANTS

Fiscal/Budgetary Impact: There should be no adverse effect on the School Nutrition Program

History/Background: We have 7 of our elementary schools in Floyd County that received a grant to provide fresh fruits and vegetables to our students. The purpose of the program is to introduce a variety of fruit and vegetables to students to promote healthy eating habits. As required by federal regulations proper procurement procedures must be followed with this program. As a result the Floyd County School Nutrition Department would like permission to award the contract/contracts to the lowest and/or best evaluated qualified proposal meeting all the specifications and conditions outlined in the formal bidding specifications.

Recommended Action: Approve as recommended.
