Hi Mr. Voth, Your are paid in 3 different ways. You get up to 50% of all online orders when parents and others shop online anytime throughout the year at any 400 stores like Target, Walmart, Kohls, and many others through the SchoolMall website. Each store gives back a different percentage. Your also paid \$2.25 for EACH student that returns their completed postcard booklet and up to 50% of any magazine brochure orders for those people that may not shop online they have a option to order from that if they choose too. We mail the SchoolMall online shopping info and the brochure with the postcards in a windowed envelope to whom their addressed to only once. Your parents, family members and teachers are familiar with the program. The ONLY way we make money is if anyone orders from the brochure but your still paid up 50% of each order. Even if no one orders from the brochure your still paid from online shopping and for your students that return their postcard booklet. We don't make anything from online shopping and your teachers can also receive classroom gift cards which they also receive 100% of the gift card purchase. All you do on your end is send home the booklets, have the teachers give the students their participation prize then mail your booklets back in the provided postage paid envelope. (send home, give students their prize, mail back, its that easy) There is NO cost at all to the school for your program and you average over \$1,000 PLUS each year . I hope I have answered your questions but you may also checkout the program and what your paid at www.schoolmall.com/info You will receive a \$100 Walmart gift card just for participating! If we can help with anything please call us at 1.877.643.6146 ext. 662. I think you will be pleased with the program. Have a great day!
