Good afternoon,

We have reviewed the information you provided to us regarding ArbiterPay at our August 26th meeting. Based on the information provided, as well as discussions with the Commonwealth's state controller Ed Ross and Jeff Jordan with Ohio High School Athletic Association, we do not have any concerns with this moving forward. The ultimate decision on implementing this is a management decision that you and KHSAA will have to make.

Jeff mentioned that OHSAA did presentations for their school districts' auditors (Ohio State Auditor's Office) regarding ArbiterPay, as well school district financial folks – you all may want to consider doing that as well? Perhaps you could discuss this with LaTonya Bell or Steve Lyles with KDE – I know they have an upcoming school district conference coming up soon.

We appreciate you discussing this with us. If anything else comes up that we need to discuss please let us know.

Thank you and good luck!

Alice
