Kentucky Board of Education

Department of Education

(Repealer)

702 KAR 3:171. Repeal of 702 KAR 3:170.

RELATES TO: KRS 156.031, 156.074, 168.100

STATUTORY AUTHORITY: KRS 156.070, 156.160

NECESSITY, FUNCTION, AND CONFORMITY: KRS 156.074 gives the Kentucky Board of Education the general authority, through the Finance and Administration Cabinet, to secure state price contracts for supplies and equipment to be purchased by district boards of education; and KRS 168.100 gives the Kentucky Authority for Educational Television the specific authority to prescribe standards for television receiving units to be used in the public schools. 702 KAR 3:170 established the terms and means by which school districts could purchase television receivers, stands, and related equipment. This administrative regulation repeals 702 KAR 3:170, Educational television equipment purchases, because there is no longer a necessary to establish statewide minimum specifications for educational television receivers and stands. Further, state price contracts are not utilized by local school districts for the purchase of educational television receivers, stands, or related equipment.

Section 1. 702 KAR 3:170, Educational television equipment purchases, is hereby repealed.

This is to certify that the chief state school officer has reviewed and recommended this administrative regulation prior to its adoption by the Kentucky Board of Education, as required by KRS 156.070(5).

Administrative Regulation: 702 KAR 3:171

Agency Contact Person: Kevin C. Brown

(1) Provide a brief summary of:

(a) What this administrative regulation does: Repeals administrative regulation 702 KAR 3:170, which required the creation of statewide minimum specifications for the purchase of educational televisions, stands, and related equipment by school districts. (b) The necessity of this administrative regulation: This regulation will repeal the antiquated requirement that the Kentucky Board of Education (KBE), in conjunction with the Kentucky Authority for Education Television (KET), create minimum specifications for the purchase of educational televisions and stands. KRS 168.100 permits KET to prescribe standards for the purchase of televisions and stands. Neither KET nor KBE currently prescribe television equipment standards for local school district purchase.
