- The OKI (Ohio Kentucky Indiana) Children's Literature Conference will be held at Thomas More on Saturday November 5th from 8:30 – 4:00. This is an excellent professional development opportunity.
- Latonia Elementary, Howell Elementary, Lindeman Elementary, Arnett Elementary, Caywood Elementary, Summit View Elementary, Lincoln Elementary, Newport Primary, Tichenor Middle School, and Holmes Middle School will be participating with the authors and illustrators by submitting art work and writing pieces to accompany the authors' works. The children will get to meet and spend time with the nationally known authors and illustrators participating in the conference. This OKI event on Friday Night will be open to the public.
- The Teacher Education Committee will be meeting on Thursday at 4:00 in the Teacher Resource Center on campus. Many of your administrators are involved with our TEC. We are currently restructuring this committee to make it the advisory committee for the MAT and the MEd programs in order to reduce the number of meetings we are asking administrators to attend on campus.
- Do you all want our students in your buildings (other than teacher candidates/student teachers) to have TB tests?
