(Meeting Room 2)

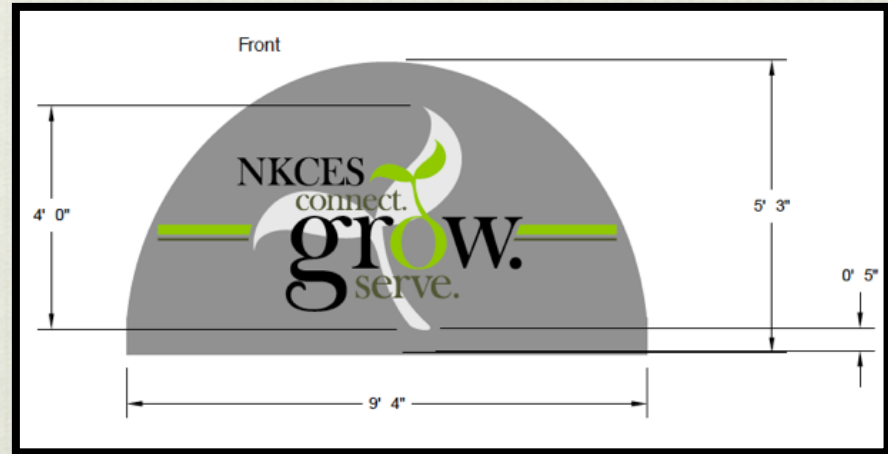

NKCES Work Room

A work room was moved to a room located in the wing of our future training center to better assist our NKCES staff and districts.

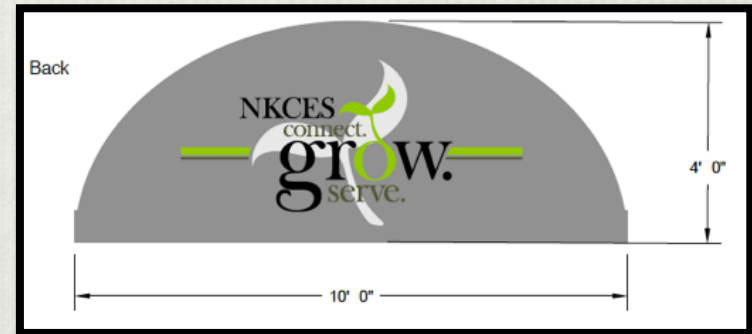

NKCES Front Admin Entrance

An Awning will be hung above the front door to enhance visibility of building and for coverage for inclement weather. Future improvement will be to update exterior building signage.

NKCES Future Training Entrance

Future training entrance for NKCES can be seen from main road. Awning added to make entrance more visible for our visitors. Exterior signage will also be updated.

The logo is mounted on a light-colored rectangular plaque with four silver corner fasteners. The text is in a serif font, with 'grow.' in a larger, bold size. A green plant graphic with two leaves is positioned behind the text, with its stem forming the letter 'o' in 'grow.'. Horizontal green and purple lines are on either side of the text.
