October 2016 Athlete of the Month

We want to congratulate Junior, Megan Downard, on being the October 2016 Athlete of the Month! After having an excellent start of the soccer season by putting 12 goals in the back of the net and assisting on three other goals, Megan Downard continued her goal scoring in the month of September by adding another 3 goals and another assist to her totals which helped keep the Lady Devils in good competition. Megan's accomplishments also continued in the class room by keeping her GPA to a 3.68 and she is currently enrolled in Gateway dual credit classes. Great job, Megan!
