

## Regional School Programs Updates

11/9/16

\*Newest partnership with NKHBA to provide vocational education programs to our students, 4 students starting the program currently (applied, interviewed, accepted) 2 hours, 3 days a week.

\*Additional Update: Students are building model house frames for the fire department to utilize for drills.

\*HVAC is about to start as well.

\*St. Elizabeth is teaching a “hands only CPR” free of charge to the students there

\*RSP Annual Thanksgiving Lunch for families and community partners will be on Thursday, November 17<sup>th</sup> from 11-12. Hickory Grove will be donating Thanksgiving meal baskets for families to take with them after the lunch on the 17<sup>th</sup>.

\*4 staff went to experience Erin Gruwell speak. Very inspiring.

\*Mrs. Cornett and I are looking to schedule visits to other Alternative Programs of Distinction during Thanksgiving break.

\*NKCES consultants and administrative team are sponsoring a Holiday Shop for RSP students in December. We are currently gathering gifts and donations in order to put it on. It will be held on December 7<sup>th</sup>.

\*Update on Trauma Informed Care run Program. I’ve met with Cindy Waden and we are sharing information as we both attain it to look at how we will proceed in the spring.
