Greetings,

Do you know an outstanding educator who should be recognized?

This year we are expanding the annual C3 tradition by honoring PK-12 educators who demonstrate Excellence in Education for the Greater Cincinnati region by asking ***area teachers, administrators, college students and community members*** to nominate one of their outstanding educators. Through the combined efforts of the University of Cincinnati, Northern Kentucky University, Xavier University, Mount St. Joseph University, and the Cincinnatus Association, each winner will be presented with a \$500 cash prize and an award plaque noting their achievements.

All winners, and those who have nominated them, will be honored at a banquet on the evening of Tuesday, February 14 at the Kingsgate Marriott in Clifton.

We are asking for your help to make this evening memorable by nominating an educator who provides the very best in instruction and/or service to students. The nomination form, along with instructions for submitting all information required for the nomination, can be found online at:

<http://cech.uc.edu/teacheraward.html>

Nominations will be accepted through Friday, December 9, 2016.

We look forward to receiving your nominations.

Sincerely,

2017 Awards Nominations Committee
