NASP on the purchase of  
the archery equipment.*

Dear Scott:

We are pleased to have provided you a grant to help off-set the cost of your equipment kit as you bring National Archery in the School Program ® (NASP®) instruction to your students.

These grants are available to each of the 47 NASP® states & 8 Canadian provinces. You were recommended by your NASP® coordinator to receive this assistance. These grants seek to accelerate the already rapid growth of NASP® as we continue to expand the program by more than 1,000 schools and 100,000+ student archers per year.

Your grant was made possible by contributions from *Easton Foundations®* and the *Cabela's Outdoor Fund*. Additional funds were provided by all NASP®'s "Medal Level Sponsors" as listed on our website.

For more information and to find out more about NASP and our funding partners, we invite you to visit our web site:

Sincerely,

Roy A. Grimes
