CAMPBELLSVILLE UNIVERSITY SCHOOL OF EDUCATION AND MARION COUNTY SCHOOLS

MEMORANDUM OF AGREEMENT

This **Memorandum of Agreement** serves a collaborative agreement between Campbellsville University's School of Education and the Marion County Schools to cooperate with one another in services for ELL population through direct and indirect supports to students. This agreement covers a one year agreement August 2016 to August 2017 at which time evaluation will be conducted to determine the extension of the collaboration of agreement.

Campbellsville University School of Education agrees to:

Provide services to the Marion County Schools as may be requested for instructional support to students, parents and Marion County certified staff;

Provide support to administration as they develop the programs to support ELL students in Marion County Schools;

Provide mentoring services to students in the ELL program in Marion County-service by University students and support staff;

Provide names of qualified staff to provide additional support services to students in the ELL program;

Provide representation as may be requested for Board of Education meetings or committee meetings.

Marion County Schools agrees to:

Provide financial support to Campbellsville University-School of Education-in order to provide individuals services to ELL students;

Provide $5,000 per school year to support the transportation, field support, and resources needed to work with ELL students in the school setting; Marion County has designated $5,000 at the beginning of each school year.

Work collaboratively with School of Education, and University-wide faculty as may be needed, on mutually beneficial initiatives, including design of new and/or revised educator preparation programs;

Provide representation as may be requested for advisory councils.
