

**JEFFERSON COUNTY PUBLIC SCHOOL SYSTEM
COMMUNICATIONS FACILITY SPACE LICENSE AGREEMENT**

THIS COMMUNICATIONS FACILITY SPACE LICENSE AGREEMENT (this "Agreement") is entered into effective on the date of the last party to execute this Agreement ("Effective Date" or "Commencement Date"), between the Board of Education of Jefferson County, Kentucky, operating under the name Jefferson County Public Schools ("JCPS") and Sprint Spectrum L.P., a Delaware limited partnership ("Licensee").

RECITALS

JCPS issued a certain proposal to establish the terms and conditions for the grant by JCPS to one or more persons or entities of one or more licenses for the use of space on towers or other structures owned or controlled by JCPS for the placement of wireless communications equipment of such persons or entities in or on such towers or structures (the "Proposal").

The Proposal included certain prohibitions, requirements and technical specifications (collectively, the "Specifications") to be applicable to any license granted by JCPS in response to the Proposal. A copy of the Specifications is attached hereto as Exhibit C.

Licensee desires to accept the Proposal and license from JCPS space at the site described on the Site Designation Form attached as Exhibit A to this Agreement (the "Site"). Exhibit A also describes the JCPS structure (the "Structure") on the Site; the unmanned radio communications equipment and related telecommunications activities of Licensee (the "Communications Facility") for which the Site will be used by Licensee; the initial payment to be paid by Licensee at the commencement of the term of this Agreement (the "Initial Payment") and the initial payment to be paid by Licensee at the commencement of a renewal term (the "Initial Renewal Term Payment"); and the annual license payment by Licensee (the "Annual Fee").

AGREEMENT

1. **SPECIFICATIONS**. The Specifications are incorporated into this Agreement, and shall apply to Licensee as if stated in full herein. To the extent any provision of this Agreement (including exhibits) conflicts with the Specifications, the provision of this Agreement shall control.

2. **REGULATORY COMPLIANCE**. During the term of this Agreement, Licensee will comply with all federal, state and local laws, orders, ordinances and regulations applicable to Licensee's access to and use of the Site.

3. **NON-INTERFERENCE**. The Communications Facility will not interfere with the educational operations of JCPS or with any communications equipment of JCPS or any other person or entity located at the Site on the date of Licensee's original installation pursuant to the Original Agreement (as defined in Section 5 hereof). JCPS will not permit the installation on the Site after such installation date of any equipment that: (a) results in technical interference problems with the Communications Facility, or (b) prevents Licensee from

exercising the rights of access to the Site granted to Licensee under Sections 10 and 14 of this Agreement.

4. **COOPERATION.** JCPS will use commercially reasonable efforts to cooperate with Licensee, at Licensee's expense, to assist Licensee to obtain any licenses, permits or government approvals that are required for Licensee to use the Site.

5. **TERM.** The initial term of this Agreement is five (5) years commencing on the Commencement Date. Five (5) years after the Commencement Date (the "Renewal Term Commencement Date") the term (subject to JCPS' right to terminate in this Agreement) will renew automatically for one additional renewal term of five (5) years, unless Licensee provides written notice of non-renewal to JCPS at least sixty (60) days before the end of the initial term. This Agreement may be renewed for one or more additional terms after the end of such renewal term, upon written agreement of the parties. The parties agree that Licensee has been occupying the Tower on the Site on a month-to-month basis under the terms of the Jefferson County Public System Agreement for Use of Tower Space dated January 28, 1999 ("Original Agreement") since the expiration of the Original Agreement on January 27, 2010, and that all rent due and payable under the Original Agreement has been received by JCPS.

6. **TERMINATION BY JCPS.** In addition to any other applicable rights or remedies hereunder or otherwise available, JCPS may terminate this Agreement on one hundred eighty (180) days prior written notice of termination without further liability if JCPS determines that the Communications Facility unreasonably interferes with any equipment of JCPS or any equipment of any other licensee that was located on the Site on the date of Licensee's original installation (as established pursuant to Section 3 hereof) and Licensee has failed to resolve such interference to the reasonable satisfaction of JCPS in a reasonable time (which in no event will be more than sixty (60) days) following receipt of written notice of interference. Should JCPS determine the need to remove the Structure due to renovations or expansion of a school or other JCPS-owned building, JCPS shall have a one-time right to cancel this Agreement nine (9) months after written notice from JCPS to Licensee, and the prorated fee for the remainder of that year of the term will be returned by JCPS to Licensee. However, if JCPS determines that there is an option to relocate the Structure on the same campus in a location acceptable to JCPS, Licensee may at its option relocate the Structure and all communications equipment in or on the Structure, whether owned by Licensee or JCPS or any other licensee in a manner and at such times acceptable to JCPS and such other licensees, at Licensee's sole expense, in which case this Agreement shall not be cancelled but will be amended to reflect such relocation.

7. **TERMINATION BY LICENSEE.** In addition to any other applicable rights or remedies hereunder or otherwise available, Licensee may terminate this Agreement on sixty (60) days prior written notice without further liability if (1) Licensee cannot obtain or loses through no fault of Licensee any permit, license or approval required for Licensee's use of the Site, (2) it is determined by a court of competent jurisdiction that JCPS does not own or control the Site, (3) any portion of the Site or the Communications Facility is damaged or destroyed through no fault of Licensee, or is condemned or transferred in lieu of condemnation; or (4) Licensee's ability to use the Site or the Communications Facility for its intended purpose is materially degraded because of technological reasons through no fault of Licensee. Notwithstanding anything to the contrary contained herein, Licensee may elect to terminate this

Agreement at any time during the term upon payment to JCPS of a termination fee ("Termination Fee") equal to (a) the amount of nine (9) months rent calculated based upon the Annual Rent or, (b) if less than nine (9) months remain in the then current term, an amount equal to the rent for the number of months remaining in the then current term.

8. PAYMENT OF INITIAL PAYMENT, INITIAL RENEWAL TERM PAYMENT AND ANNUAL FEE. The Initial Payment is due within fifteen (15) days of the Commencement Date. The Initial Renewal Term Payment is due within fifteen (15) days of the Renewal Term Commencement Date. The Annual Fee is due within fifteen (15) days of the Commencement Date and on each anniversary of the Commencement Date. The Annual Fee will be prorated for any fractional year. The Annual Fee is payable to JCPS at the address in Section 32.

9. INTEREST; LATE ANNUAL FEE. If any Initial Payment, Initial Renewal Term Payment or any Annual Fee is not paid within thirty (30) business days of when due, Licensee shall pay to JCPS a late fee of \$150, plus interest after the due date until paid at the current prime interest rate of PNC Bank.

10. APPROVED COMMUNICATIONS FACILITY. Licensee may use the Site for the purpose of installing, removing, replacing, modifying, maintaining and operating, at its expense, the Communications Facility, including, without limitation, antennas and microwave dishes, air conditioned equipment shelters and/or base station equipment, cable, wiring, power sources, related equipment and structures and, if applicable to the Site, an antenna support structure only for the Communications Facility specified on Exhibit A. If necessary, Licensee's equipment and facilities may be mounted on the ground near the Structure. In such case, Licensee shall provide a detailed plan of the necessary equipment and ground space, including any necessary utility easements, and such equipment shall be included in the definition of Communications Facility. The plan for the use of such equipment and ground space shall be attached and incorporated herein as Exhibit B, shall be subject to approval by JCPS, which shall not be unreasonably withheld. To the extent any provision of this Agreement (including exhibits) conflicts with the plan for the use of such equipment and ground space attached and incorporated herein as Exhibit B, the provision of this Agreement shall control, and any reference to a "lease" and "lease area" in such plan shall be construed as a "license" and "license area".

Prior to any material alteration of the Communications Facility by Licensee, JCPS shall approve Licensee's plans for alteration, such approval not to be unreasonably withheld, conditioned or delayed.

All installation and alteration work shall be designed by a licensed structural engineer, performed at Licensee's expense in a good and workmanlike manner and in accordance with applicable building uses, and shall not adversely affect the structural integrity or maintenance of the Site or the Structure.

JCPS grants Licensee a non-exclusive right of vehicular and pedestrian access to the Site for the purposes stated above, for placement of an underground grounding system, and for access to the appropriate source of electric, telephone and other utilities, in the reasonable discretion of Licensee.

11. **LIENS.** Licensee shall keep the Site and the Structure free from any liens arising from any work performed, material furnished, or obligations incurred by or at the request of Licensee.

12. **POSSESSION.** Licensee (1) accepts the Site and the Structure AS IS, WHERE IS with all faults, for the purposes for which the same is licensed, and (2) waives any claims against JCPS in respect of defects in the Site or the Structure, unless expressly provided hereunder, or if resulting from the willful act or omission of JCPS, its employees, agents or contractors.

13. **UTILITIES.** Licensee may at its expense obtain electric, telephone and any other utility service that is necessary for the operation of the Communications Facility. Licensee will arrange at its expense for the installation of a separate meter, main breaker or other equipment necessary for the delivery of any such utility service, and any utility easements, subject to JCPS' approval of the exact location(s).

14. **ACCESS.** Access to the Site for non-emergency visits for the purposes stated above will be Monday through Saturday, 7 am to 7 pm. In an emergency, Licensee will have immediate access to the Site at any time, after first giving telephone notice to the JCPS Manager of Real Estate at (502) 485-3462 or his designee.

15. **TAXES AND OTHER CHARGES.** Licensee will pay all taxes and other charges imposed by any federal, state or local authority attributable to the Communications Facility. Licensee will not be responsible for any other taxes or charges attributable to the Site or the Structure.

16. **REQUIRED INSURANCE OF LICENSEE.** Licensee shall, during the term of this Agreement and at Licensee's expense, keep in force not less than the following insurance with reputable national insurers:

Property Insurance: coverage for fire, extended coverage, vandalism, and malicious mischief, for not less than 90% of the full replacement cost of the Communications Facility.

Commercial General Liability Insurance: operations hazard, independent contractor hazard, contractual liability and products and completed operations liability, for not less than \$5,000,000 combined single limit per occurrence (bodily injury, personal injury and property damage liability). Licensee shall name JCPS as an additional insured on its Commercial General Liability Insurance.

Workers' Compensation and Employer's Liability Insurance to meet statutory requirements.

The coverage amounts set forth in this Section 16 may be met by a combination of underlying and umbrella policies so long as in combination the limits equal or exceed those stated.

Certificates of insurance will be delivered to JCPS no later than the Commencement Date. All policies shall require insurers to notify JCPS in writing not less than thirty (30) days before any cancellation or material change in coverage or limits.

17. INDEMNIFICATION. Licensee will indemnify JCPS and save it harmless from and against any and all claims, actions, damages, liability and expense arising from or out of:

[1] any occurrence in, upon or at the Site or the Structure caused by the act or omission of Licensee or its agents, customers, invitees, concessionaires, contractors, servants, vendors, materialmen or suppliers (collectively, "Agents"), unless caused by the negligence, willful act or omission of JCPS or its Agents; or

[2] any occurrence caused by the violation of any law, regulation or ordinance applicable to the use of or presence on the Site or the Structure of Licensee or its Agents.

18. ASSIGNMENT BY LICENSEE. Licensee may assign or sublicense this Agreement to any affiliate of Licensee; any partnership, venture or new corporation formed by Licensee; or any purchaser of substantially all of the assets of Licensee. For purposes of the foregoing provision, "affiliate" means any entity that wholly owns Licensee, any entity that is wholly owned by Licensee, or any entity that is wholly owned by either such entity. Any other assignment, sublicense or other transfer shall be void unless approved in writing by JCPS, such approval not to be unreasonably withheld, conditioned or delayed.

19. REPAIRS - LICENSEE'S OBLIGATION. Licensee shall, at all times during the term of this Agreement at Licensee's expense, maintain and make all repairs to the Communications Facility as are required to keep the Structure in a structurally safe and sound condition, including periodic inspections and maintenance of the Communications Facility, the Structure and the Site. If Licensee does not make such repairs within thirty (30) days after receipt of notice from JCPS that such repairs are required, then JCPS may make the repairs, and Licensee shall pay JCPS on demand JCPS' actual costs of the repairs, plus overhead.

If emergency repairs are needed to protect persons, or property, or to allow the use of the Site, Licensee shall make such repairs within twenty four (24) hours after telephone notice to Licensee from the JCPS Manager of Real Estate. If Licensee does not make such repairs within twenty four (24) hours after such telephone notice has been given, JCPS may make such repairs at Licensee's expense, plus overhead.

20. REPAIRS - JCPS' OBLIGATION. JCPS shall, during the term of this Agreement, and at JCPS' expense, keep the Site and any improvements located thereon owned or controlled by JCPS in a structurally sound and safe condition, other than any maintenance and repairs to the Communications Facility, the Site and the Structure that are the responsibility of Licensee under Section 19 of this Agreement.

21. SURRENDER OF SITE. Upon the termination of this Agreement for any cause, Licensee shall peacefully vacate the Site in good order and condition except for reasonable wear and tear resulting from Licensee's use of the Site. Licensee will remove the

Communications Facility, but the Structure and any improvements made by Licensee to the Structure will remain the property of JCPS. Licensee will repair any damage to the Site or the Structure other than such reasonable wear and tear, or any damage caused by removal of the Communications Facility.

22. DEFAULT AND REMEDIES. The occurrence of any one or more of the following events constitutes an “event of default” by Licensee: (1) if Licensee fails to pay any Initial Payment, Initial Renewal Term Payment or Annual Fee or any other sum payable by Licensee within thirty (30) days following receipt of written notice from JCPS of the delinquency; (2) if the Site or the Structure is made subject to any lien arising from any work performed, material furnished, or obligations incurred by or at the request of Licensee, and such lien is not removed within thirty (30) days following receipt of written notice from JCPS of the existence of such lien; (3) if Licensee fails to perform any other term of this Agreement, and such failure continues (a) for more than the cure period (if any) expressly set forth in this Agreement applicable to such failure, or if no such cure period is expressly set forth in this Agreement applicable to such failure (b) for thirty (30) days after written notice from JCPS, except such thirty (30) day cure period will be extended as reasonably necessary to permit Licensee to complete such cure of such failure if Licensee continuously and diligently pursues completion of such cure; (4) if any petition is filed by or against Licensee, under the federal Bankruptcy Code or any similar law (and is not dismissed within ninety (90) days after the filing thereof), or Licensee is adjudged bankrupt or insolvent in proceedings filed under the federal Bankruptcy Code or any similar law; (5) if a receiver, custodian, or trustee is appointed for Licensee or for any of its assets and is not vacated within sixty (60) days; or (6) if Licensee becomes insolvent or makes a transfer in fraud of creditors.

If an event of default occurs, JCPS (without notice or demand except as expressly required above) may seek any remedy available to it at law or in equity, and JCPS may terminate this Agreement, in which event Licensee will immediately surrender the Site to JCPS.

If JCPS is in breach of any representation, warranty or agreement in this Agreement, and such failure continues for more than thirty (30) days after written notice from Licensee, except such thirty (30) day cure period will be extended as reasonably necessary to permit JCPS to complete the cure of such failure if JCPS continuously and diligently pursues completion of the cure of such failure, Licensee may upon thirty (30) days prior written notice to JCPS terminate this Agreement.

23. QUIET ENJOYMENT. JCPS covenants and warrants that Licensee will have the use of the Site for the purposes described in this Agreement, subject to the provisions of this Agreement, during the term of this Agreement.

24. COVENANTS AND WARRANTIES. JCPS warrants that JCPS owns fee simple title, or has a leasehold interest, or has a valid license, to the Site and has rights of access thereto.

Each party represents and warrants to the other that it has power and authority to make this Agreement, that the making and performance thereof will not violate any laws or

agreements under which such party is bound, that such party is a duly existing legal entity, and the party is qualified to do business in Kentucky.

25. ENVIRONMENTAL MATTERS

JCPS represents and warrants to Licensee that it has no knowledge of any Environmental Hazards on or affecting the Site. Licensee will not bring to, transport across or dispose of any Environmental Hazards on the Site without JCPS' prior written approval, which approval shall not unreasonably be withheld, except Licensee may keep on the Site substances used in back up power units (such as batteries and diesel generators) commonly used in the wireless telecommunications industry.

"Environmental Hazards" means hazardous substances, hazardous wastes, pollutants, asbestos, polychlorinated biphenyl (PCB), petroleum or other fuels (including crude oil or any fraction or derivative thereof) and underground storage tanks. "Hazardous substances" shall be as defined in the Comprehensive Environmental Response, Compensation, and Liability Act, and regulations promulgated thereunder. "Pollutants" shall be as defined in the Clean Water Act, and regulations.

26. SUBORDINATION AGREEMENT. This Agreement is subject and subordinate to the lien of all mortgages and deeds of trust which may now exist or hereafter be placed on or against the Site or the interest therein of JCPS or the Jefferson County School District Finance Corporation, without the necessity of having further instruments executed by Licensee to effect such subordination.

27. ENTIRE AGREEMENT. This Agreement is the entire agreement and understanding between the parties, and supersedes all offers, negotiations and other agreements concerning the subject matter.

28. SEVERABILITY. If any provision of this Agreement is invalid or unenforceable with respect to any party, the remainder of this Agreement or the application of such provision to persons other than those as to whom it is held invalid or unenforceable, is not to be affected and each provision of this Agreement is valid and enforceable to the fullest extent permitted by law.

29. BINDING EFFECT. This Agreement will be binding on and inure to the benefit of the respective parties and their successors and permitted assigns.

30. CAPTIONS. The captions of this Agreement are inserted for convenience only and are not to be construed as limiting the scope or intent of its provisions.

31. NO WAIVER. No provision of this Agreement will be deemed to have been waived by either party unless the waiver is in writing and signed by the party against whom enforcement is attempted. No custom or practice which may develop between the parties in the administration of this Agreement shall waive or lessen any party's right to insist upon strict performance of the terms of this Agreement. The rights granted in this Agreement are cumulative of every other right or remedy that the enforcing party may otherwise have at law or

in equity or by statute, and the exercise of one or more rights or remedies will not prejudice or impair the concurrent or subsequent exercise of other rights or remedies.

32. NOTICE. Any notice or demand under this Agreement shall be made by certified or registered mail, return receipt requested or reliable overnight courier (with written confirmation of delivery) to the address of other parties set forth below:

33. GOVERNING LAW. This Agreement is governed by the laws of Kentucky. Any action or claim arising from, under or pursuant to this Agreement shall be brought in the courts, state or federal, within Jefferson County, Kentucky, and each party expressly waives the right to bring any legal action or claims in any other courts.

34. NO LIENS. The Communications Facility will at all times be and remain the property of Licensee and will not be subject to any lien or encumbrance created or suffered by JCPS. Licensee has the right to make such public filings as it deems necessary or desirable to evidence Licensee's ownership of the Communications Facility. JCPS waives all JCPS' or landlord's lien on any property of Licensee (whether created by statute or otherwise). Notwithstanding the foregoing, in the event of termination or expiration of this Agreement, if the Communications Facility is not removed from the Site within sixty (60) days thereafter, any equipment remaining at the Site shall be deemed abandoned, JCPS' waiver of lien shall be voided, and JCPS shall have title to the remaining equipment.

35. FORCE MAJEURE. If a party is delayed or hindered in, or prevented from the performance required under this Agreement (except for payment of monetary obligations) by reason of earthquakes, landslides, strikes, lockouts, labor troubles, failure of power, riots, insurrection, war, acts of God or other reason of like nature not the fault of the party delayed, such party is excused from such performance of the period of delay. The period for the performance of any such act shall then be extended for the period of such delay.

36. MISCELLANEOUS. (a) Concurrently with the execution of this Agreement by Licensee, if requested by Licensee, JCPS shall execute and deliver to Licensee a recordable Memorandum of Agreement in a form acceptable to Licensee and JCPS, which Licensee may record at its own cost in the local real property records; (b) each party will execute, within twenty (20) days after written request, an estoppel certificate or statement certifying that this Agreement is unmodified and in full force and effect or, if modified, describing such modification(s), and that the other party is not in default (beyond applicable cure periods), except as specified in the statement. The estoppel certificate may also certify the current rent amount and whether any rent has been paid in advance. Within sixty (60) business days of the termination or expiration of this Agreement (if a Memorandum of Agreement was recorded) Licensee shall execute and deliver to JCPS a recordable release of the Memorandum of Agreement in a form reasonably acceptable to JCPS, which JCPS may record at JCPS' own cost in the local real property records.
