## Inspire, Engage, and Grow Employee of the Month

We want to congratulate Mrs. Lisa Seyberth as she is our Inspire, Engage, and Grow employee of the month for November. Lisa does an outstanding job as one of our many amazing instructional assistants at Lincoln Elementary for the past five years. Lisa treats each and every child, as if they were her very own child. This gives our students a true belief that they belong in our school.

Here are some of her nominations:

"She is everywhere all the time with a student and it does not matter if it is one of her assigned kids or not. She has such a good attitude toward the kids and they respond to her. She will jump in and help anyone at any time with no questions asked. Always there to help!"

"Lisa is the most flexible, easy going, reliable, hardworking special education instructional assistant I've ever had the opportunity of working with. She's amazing!!!!!!!!!"

"Lisa is so good with our students that have extra needs. She is always willing to help anyone and has such a great positive attitude every day."

"Lisa is an awesome worker. She is good with the children and is all over the school taking care of our children."

"Always goes above and beyond. Is an amazing co-teacher in the classroom for all students! She always goes above and beyond. I love being able to work with her in my class as she is an amazing Collaborative Teacher! We are able to co-teach which helps all students in the class not just "her caseload" students."

Congratulations Mrs. Seyberth and thanks for Inspiring, Engaging, and Growing our Students!
