Mrs. Pope,

I am requesting permission to take several students to Murray State University for a two night overnight field trip. These students will be participating in the Quad State Honor Band. The dates are February 23-25. The reason for the overnight stay is the students will rehearse until late on Thursday night and Friday night – and then begin again early the next morning. Therefore it is necessary for us to stay overnight. By staying overnight, the students will be better rested for this intensive weekend.

Thank you!

Mrs. Pope,

I am requesting permission to take any student who makes All-State Band during the KMEA Conference in Louisville February 8-11. This will be a three night overnight trip. We will know for certain if we have any students selected by December 11.

Thank you!
