- Our draft CSIP has been published on our school website and Facebook. Certified staff analyzed data to inform our CSIP and they were surveyed in November with the following prompt and results...

"We have done a great deal of work to analyze data and develop goals and next steps for our CSIP so we can continue to improve. However, it's important to remember that we are distinguished. We have and are doing what works. I would like your feedback about the strategies, practices and policies that you believe have had the greatest impact on our achievement and distinguished performance within the last year. Please write three things we need to keep doing because they work. Consider the list of strategies that CSIP groups discussed this past Monday (11/7), including any specific interventions, strategies, policies and practices in place over the last year."

1. What is the most important thing we need to keep doing...
2. What is the second most important thing we need to keep doing...
