- Science Skateboarder Assembly- December 12
 - A school wide assembly took place to inform students of how physics is involved in everyday life. They also performed skateboarding tricks to exhibit physics concepts.
- Physics Experiment- December 13
 - Mr. Whittington's Physics class had the opportunity to do experiments with Mr. K's T-Shirt Cannon. The Students will be completing a PSI conversion chart after completing the experiments.
- Torch Prep- December 13-14
 - A group of juniors spent two days working with Torch Prep to learn strategies for taking the act.
- CERT Testing- December 15

Student Representative Board Report for the Month of December

Noelle Brooks

- 9th, 10th, and 11th grade students took the CERT Test, which is a test to determine how they will do on the act.
- Senior Activities- December 15
 - While CERT testing was going on, the seniors worked on completing their senior portfolios. They also sent letters to non-profit organizations to invite them to apply for the Senior Service Project.
- Midterm Week- December 19-21
 - Over the course of these days, students will be taking their midterm exams for their classes. However, several seniors and juniors are exempt from these exams if they meet the following criteria: college or career ready, 90% average in the course, and if the exam is cumulative rather than summative.
- Senior Fundraiser Activity- December 20
 - As a fundraiser for the Senior Trip to NYC, several seniors and faculty volunteered to potentially eat worms at an assembly. The top two students and top two faculty with the most money would eat chocolate covered worms in front of the school.
- ❖ Upcoming Events
 - Bowling Match- January 5 vs. Scott at Bellewood at 3:45
 - Girls Basketball- December 23 vs. Raceland at 12:00/1:30
 - Boys Basketball- December 21 vs. Pendleton at Bellevue at 7:00
