Consent Agenda Item (Action Item):

Consider/Approve Building Instructional Space Allocation for South Floyd Elementary School

Applicable Statute or Regulation:

KRS 162.90 General Powers and Duties of the Board

Fiscal/Budgetary Impact: NA

History/Background:

Building instructional space approval, much like allocation process, is generally done by the SBDM council in Kentucky. However, a council will not be formed for either school until the opening in 2017. Therefore, approval by the board for space allocation is requested. The information has been shared with multiple people to include instructional leaders in all schools impacted by transition.

Recommended Action:

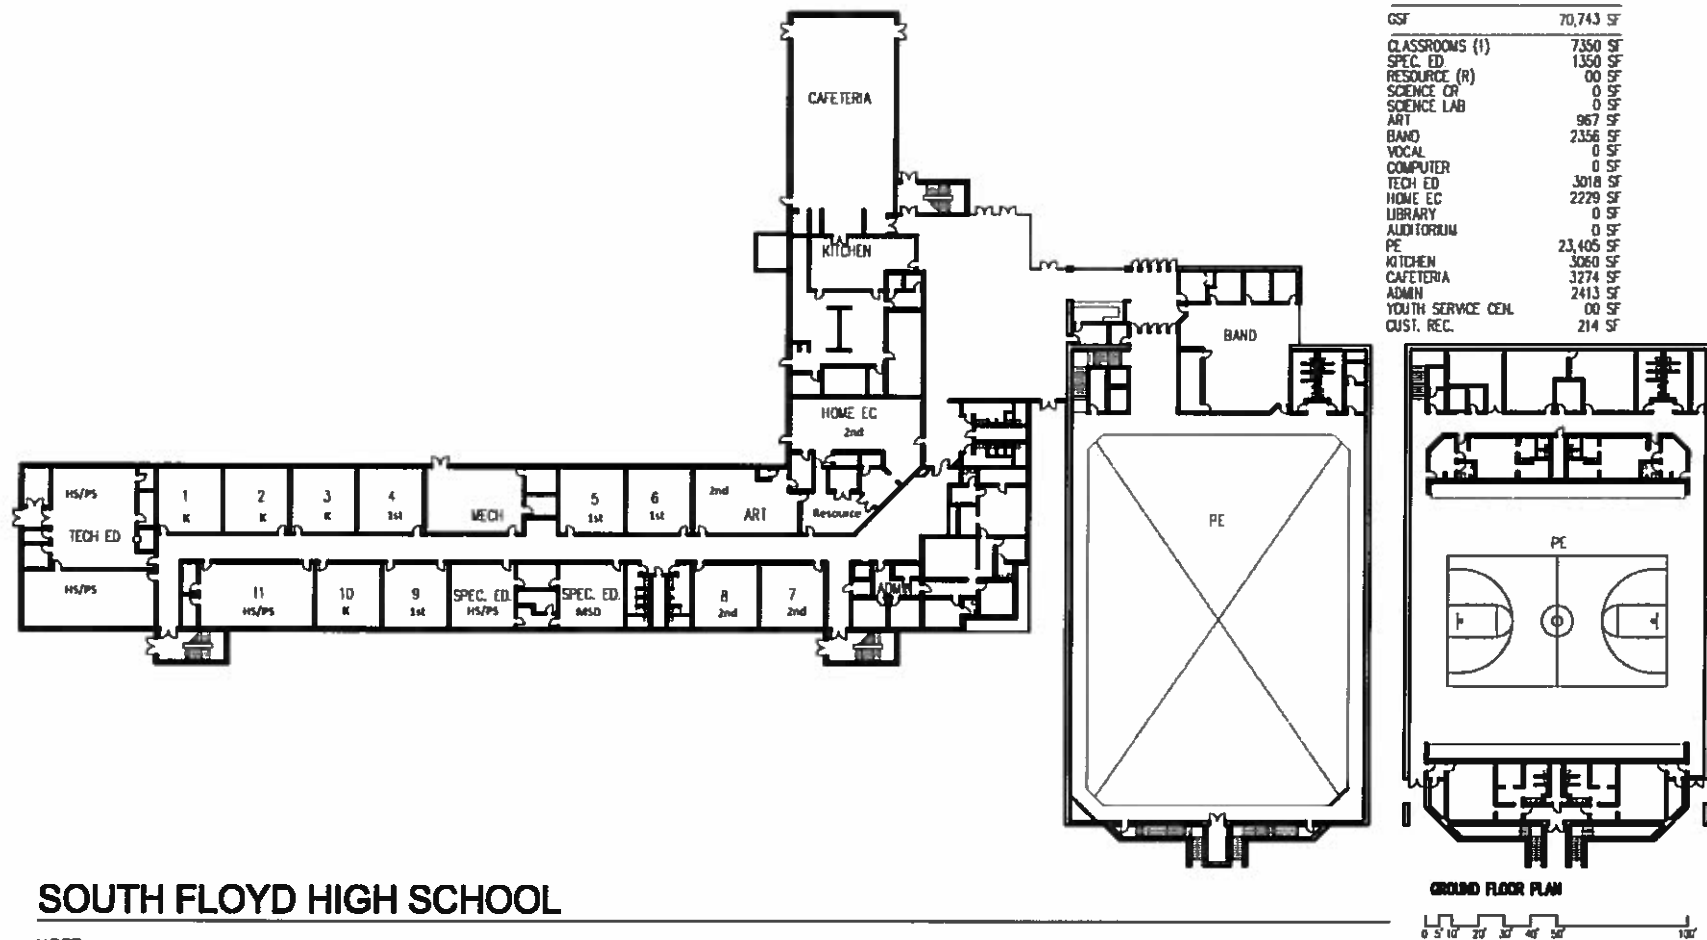

Approve as presented.
