RE: NKCES Notification of Representative to the Board of Directors

Dear Superintendent,

In reviewing our records we are showing your Notification of Representative needs to be updated. Please review this form, complete the information and have it signed at your next district board meeting.

Superintendent of District should be listed as the districts representative and then an alternate or "Proxy" should be named as a second representative.

If you should have questions please feel free to contact either Executive Director, Amy Razor or myself. Thank you for your assistance in getting this information up to date.

Sincerely,

Kristin Schalk
