Dear Mr. Brewer:

Pursuant to KRS Chapter 157.655 - 157.660 and 750 KAR 2:010, the School Facilities Construction Commission (SFCC) is hereby making an official FY-2017 KETS offer of assistance to your Board of Education. Acceptance of this offer of assistance commits the Board of Education to follow the statutes and regulations of the SFCC and the Kentucky Department of Education governing the Education Technology Funding Program.

This is the second offer of assistance in FY-2017. It is in the amount of \$5,773 and is based on final FY-2016 statewide ADA figures. **There is no board action required to accept the second offer of assistance.** Accepted state technology fund offers of assistance **must be matched equally** by your district or can be escrowed for up to three (3) years.

Please note that the education technology funds restricted account in the MUNIS chart of accounts is **Fund 2, Project 162C** EdTech account. In order for your district to receive funds now, it will be necessary to transfer local funds to that account.

In responding to this offer of assistance, please provide the SFCC with the following information:

1. Fund Utilization Planning Form (**accepting, escrowing, or rejecting** offer within **60 days** from the date of offer).
2. Copy of a report from the MUNIS accounting system demonstrating evidence of a journal entry, certifying local matching funds have been transferred to **Fund 2, Project 162C** EdTech account. The certification shall be the signature of the superintendent on the report.

Again, we look forward to working with you in the Education Technology program. We trust you will join us in making this program successful for your district and the Commonwealth of Kentucky. Please direct any questions to Corey Henderson in the SFCC office.

Sincerely,

A handwritten signature in cursive script that reads "Chelsey Bizzle".
