JT ALTON MIDDLE SCHOOL - REROOF UPDATE (BG 17-128)

The roof is complete and punch list inspections have been performed. The only remaining items are to seed disturbed areas this spring.

KDE has requested several documents that will require BoE action, even though the project has been completed. Some of the actions/documents need to be processed in order to satisfy KDE. For the next meeting, they are as follows:

- Board-approved proposed contract (AIA O/A Standard Form of Agreement – KDE Version) (attached).
- Board-approved BG-2 Outline Specification (attached).
- Board-approved BG-3 Estimate of Probable Cost (attached).
