

DUAL CREDIT & EARLY COLLEGE

February 21, 2017

VISION 2020

Each JCPS student graduates with an external credential like Dual Credit, Advanced Placement, or Industry Certification

The Early College Program has made a cultural change within our building and the community !

Michael Newman, Principal

2011, 3.5% → 2016, **52%**

The Future

AMIT

co-location

Advanced Manufacturing and Information Technology Building

- . . . the evolution of dual credit**
- greater intentionality**
- more structure but greater flexibility**
 - restricted but informed “choice”**
 - movement between pathways**
 - tailored to student readiness**
- pathways with employer and transfer partner engagement/mindfulness**

R E S U L T

- More motivated students
- More career- and transfer-ready students
- Experiencing success earlier

Moving Forward
