Consent Agenda Item (Action Item): Review/Consider approving the addition of two (2) new supplemental positions to the district supplemental salary schedule as Level 4 coaches, a Head Tennis Coach and an Assistant Academic Coach.

Applicable Statute or Regulation: KRS 162.90 Powers and duties of the local board and FCBOE policy 03.2234.

Fiscal/Budgetary Impact: The addition of these two new positions won't cost the district money, however, if SBDM councils at individual schools choose to have these positions it will cost high schools \$1800, middle schools \$1000, and elementary \$500.

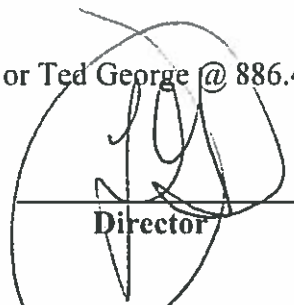

History/Background: With the amount of work needed to have yearlong, competitive academic teams many coaches and schools feel it is essential to compensate assistants to help them with practice, meets, etc. By creating these positions, it will give schools the opportunity to have assistants compensated to help if they so choose. Additionally, with the expressed interest by certain schools to field tennis teams and have compensated tennis coaches, approval of this position will allow schools to have compensated coaches if they so choose.

Recommended Action: To approve the request as presented.
