

Regional School Programs Updates

3/8/17

*I shared the commitments to participate with the Advisory Board at our meeting on 3/1/17. I've shared that we will need the signed commitment from each district by the end of March (or earlier if it is ready).

*Shared our drafted calendar for 17-18, they approved it; will now pass it onto our district of record.

*Thank you to Bellevue for offering hands during testing; we are working on finalizing what we need.

*Tentative date for Awards and Promotion will be Friday 5/12/17. Once we finalize I will be sure to share the information.

*New mural is hung in our entryway, completed by a volunteer and our students.
