SALARY: District Salary per day multiplied by 235 (number of contract days) and any district level stipend plus 15% ERS stipend equals total salary not to exceed \$95,000.

The contract cost of the district employee's services includes FY 2016 district salary, district level stipend, fringe benefits and school district indirect costs.

Since FY 2017 costs are not available for an effective date of July 1, 2016, an additional 3% of the contract cost is being added to the total amount of the original contract.
