February 23, 2017

To the Members of the Jefferson County Board of Education:

The Board of Directors for the Youth Service Center Stuart Middle School support changing the name of our school from Stuart Middle School to Stuart Academy. Our principal, Laura Dalton, provided us with information from the approval of the middle school redesign from the JCPS Board of Education from April 2016. We agree that changing the name of Stuart Middle School was in the plan as presented. Our Board minutes reflect our support for changing the name from Stuart Middle School to Stuart Academy. Our name is based on Jesse Stuart, the writer, school teacher, and school administrator from Greenup County, Kentucky. We are proud to continue to bear his name and ask only to change from the Middle School designation to Academy.

Thank you for your continued support.

On behalf of the Board of Directors for the Youth Service Center,

Runette Thomas
