

Regional School Programs Updates

4/12/17

*Proud and excited to announce that we applied again for Alternative Program of Distinction, and we have been selected as a finalist. We receive our site visit from KDE on 4/19/17 at 12:00pm. I've invited the directors and other community partners to come at that time to share our collaboration. Please feel free to also join if you would like.

*Made one calendar adjustment after sharing our calendar with Dayton; and I will review that with the advisory board when we meet on 4/18/17.

*RSP Kprep will begin 4/26/17

*RSP awards and promotion ceremony will be Friday, May 12th at 12:00pm. I will send out an invite electronically as well with the flyer that I have some here today.

*Planning our end of the year items (field day and carnival 5/11, "80-4-20" reward trip 4/18, good faith reward trip 5/9).

*We have continued our meetings and new collaboration with NKU and are finalizing PD opportunities for the fall.
