Re: Drug Screening Medical Services

After review of the Request for Proposals for drug screening medical services submitted, we would like to recommend the following:

Involvement, Inc.: 12 Panel Urine Dip Screen for students, K2 Urine Dip Screen for students and 12 Panel Urine Dip Screen for staff.

Methodist Hospital: DOT Physical, Pre-Employment Physical and TB Skin Test.

Deaconness Comp Center: Essentials Function Test, Post Offer Basic Test, Post Offer Test With Medical History Review and Post Offer Comprehensive Test.

The estimated cost for student drug screening is between \$18,000 and \$21,240. This includes 576 screens a year (10 HCHS, 3 SMS, 3 NMS) and 72 K2 screens (2 per week).
