The Contractor agrees that it will carry out its responsibilities under this Agreement in such a manner as to avoid both organizational and personal conflicts of interest and the appearance of such conflicts of interest.

By executing this Agreement, the parties hereto certify that Contractor's performance will not constitute or establish a violation of any statutory or common law principle pertaining to conflict of interest, nor will it cause unlawful benefit or gain to be derived by either party.

Pursuant to KRS 45A.455:

(1) It shall be a breach of ethical standards for any employee with procurement authority to participate directly in any proceeding or application; request for ruling or other determination; claim or controversy; or other particular matter pertaining to any contract, or subcontract, and any solicitation or proposal therefor, in which to his knowledge:

application, request for ruling or other determination, claim or controversy, or other particular matter, pertaining to any contract or subcontract and any solicitation or proposal therefor.

(3) It is a breach of ethical standards for any payment, gratuity, or offer of employment to be made by or on behalf of a subcontractor under a contract to the prime contractor or higher tier subcontractor or any person associated therewith, as an inducement for the award of a subcontract or order.

(4) The prohibition against conflicts of interest and gratuities and kickbacks shall be conspicuously set forth in every local public agency written contract and solicitation therefor.

(5) It shall be a breach of ethical standards for any public employee or former employee knowingly to use confidential information for his actual or anticipated personal gain, or the actual or anticipated personal gain of any other person.

2.4 Debarment

The Contractor assures the Board that it, the Contractor and its principal employees, are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in a transaction by any Federal department or agency.

2.5 Lobbying

The Contractor assures the Board that it, the Contractor, has not and will not pay any Federally appropriated funds, including the funds to be received under terms of the present Agreement, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress, in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement, including the awarding, extension, continuation, renewal, amendment, or modification of the present Agreement.

2.6 Patents and Copyrights

Unless otherwise provided in the Program Narrative or Budget of this Agreement, pursuant to requirements of 37 CFR 401, the Contractor assigns to the Board any patent rights, copyrights, and rights in data with respect to inventions, printed materials, technical data or computer software first developed or produced in the performance of activities or services stipulated in the Program Activities section of this Agreement, and financed with dollars reimbursable or otherwise payable under the Budget of this Agreement. The Board may in turn assign any such rights to the Office of Employment & Training (OET), or to the United States Department of Labor (DOL), if so required.

2.7 Funding sources

The Contractor will comply with the requirements set forth in any WDC Contract executed with the Board, and specifically with all procedures established by the Office of Employment and Training's *Financial Management Guide* and revisions thereto, which are incorporated by reference in said WDC Contract. The Contractor will clearly identify the U.S. Department of Labor, America's Workforce Network, Office of Employment & Training, KentuckianaWorks and/or other appropriate funding sources as required by the Board. The Contractor will submit any materials used for promotion of or recruitment for the program activities described here to the Board's designee.

2.8 Nepotism

The Contractor will comply with the Board's existing Policy and Procedures on nepotism, recovery of funds and other procedures pertinent to service of ineligible individuals, training and supportive service costs, and control of TARC tickets for participant use. The Contractor also agrees to comply with Policies and Procedures which the Board may find necessary to issue during the life of the present Agreement, from the effective date of their issuance.

3. Reporting Requirements

3.1 Management Reports

The Contractor agrees to provide all applicable management information system reports and all fiscal reports within the time periods specified by the Board, so as to document the Contractor's performance of its contractually stipulated functions.

3.2 Confidential Information

The Contractor agrees to maintain as confidential any applicant or participant information acquired or provided by the Workforce Development Cabinet consistent with the state and federal requirements of 29 U.S.C. 2871 (f)(3), KRS 151B.280, and 787 KAR 2:020, and will use the information solely for the purposes of providing the services specified in this agreement and will not release the information without the informed written consent of the applicant or participant. Exception--if subcontracts are executed for the operation of the Youth Career Center program by the Contractor, the Contractor may release information provided that the subcontractor agrees to the same terms and requirements.

3.3 Maintenance of Documents

3.3.1 The Contractor agrees to maintain all documents, records of accounts, records of personnel, and financial records pertinent to this Agreement, and to submit such reports as are required by the Board, the Department of Labor, and/or the Office of Employment & Training to ensure a proper accounting for all funds.

3.3.2 The Board, pursuant to applicable law, including KRS 61.870 *et seq.*, specifically reserves the right to have access to any books, documents, papers and records (including computer records) of the Contractor which are pertinent to this Agreement.

3.3.3 The Contractor agrees to make all records (including computer records) pertinent to this Agreement available for monitoring and/or audit purposes to the Board or its designees, the Louisville/Jefferson County Metro Government, the Office of Employment & Training, the United States Department of Labor, or the Comptroller General of the United States, at any time during normal business hours and as often as any of these monitoring and/or audit agents may deem necessary. The right of access by these agents will include the right to make excerpts, transcripts, and photocopies, as well as the right of timely and reasonable access to the Contractor's personnel for interviews and discussions related to pertinent records.

3.3.4 The Contractor will retain all records pertinent to this Agreement, including financial and statistical records, participant records, and supporting documents, for a period of five (5) years. The retention period will begin on the date the final expenditure report by the Contractor for this Agreement is received by the Board. If, prior to the expiration of the 5-year retention period, any litigation or audit is begun or a claim is instituted involving this Agreement, the Contractor will retain the records until after the litigation, audit finding, or claim has been finally resolved. The Contractor may substitute microfilm/microfiche copies in lieu of original records only after audit.

3.3.5 The records to be maintained and retained by the Contractor shall include but not be limited to: (A) payroll records accounting for total time distribution of Contractor's employees working full or part time on the work (to permit tracing to payrolls and related tax returns), as well as cancelled payroll checks, or signed receipts for payroll payments in cash; (B) invoices for purchases receiving and issuing documents, and all the other unit inventory records for Contractor's stores stock or capital items; and (C) paid invoices and cancelled checks for materials purchased and for subcontractors' and any other third parties' charges.

3.4 Accountability

3.4.1 The Contractor agrees to determine and assign costs and/or payments in conformity with the accounting methods used by the Board.

3.4.2 The Contractor agrees that no invoices for costs and/or payments under this Agreement will exceed the cost categories and/or maximum payable amounts delineated in the Budget incorporated herein. The Board will not reimburse for costs that exceed cost categories, nor issue

any payments in excess of the maximum payable amounts delineated in said Budget. Also, the Board will not reimburse for costs that exceed individual line-items within cost categories unless expressly authorized and/or approved by Board staff.

The Contractor agrees to be accountable to the Board and does further agree to make suitable reimbursement of any costs and/or payments that are disallowed. Specifically, the Contractor agrees that any funds reimbursable or otherwise payable under the Budget of this Agreement will cover training and/or services exclusively for participants enrolled in or served by Metro funding, and that any such funds used for training of individuals not enrolled in or served by Metro funding will be disallowed by the Board.

3.5 Close Out Report

The Contractor agrees to provide the Board with a financial close out report of this Agreement no later than thirty (30) consecutive calendar days after the end of this Agreement, which will release the Board from any further liabilities or payments.

If the Contractor is a public or private non-profit entity, the financial close-out report for this Agreement must normally include a statement of program income, which is defined as any revenues allowably earned by a public or private non-profit Contractor in excess of program costs. Program costs in turn are defined as those necessary, reasonable, allowable and allocable expenditures which are related to the activities or services specified in the Program Narrative of this Agreement, and which are incurred during the Agreement period, or which are required for orderly start-up or close out of the Agreement.

If program income is earned under this Agreement it may be retained and used by the contractor for approved activities within a time frame approved by the Board in writing. If the Contractor is not approved to use these funds accordingly, income must be returned to the Board.

The public or private non-profit Contractor must maintain records that document all earnings and expenditures under this Agreement, and must maintain an accounting system capable of tracking and determining program income. All such records are subject to review, monitoring and audit by the Board and must be retained in accordance with Metro Government funding record retention requirements. Any failure on the Contractor's part to fully comply with Federal, Commonwealth of Kentucky or Board program income requirements shall result in cost disallowance and repayment by the Contractor of any amounts directly related to the violation.

Since, however, tuition and fees that represent the catalog price for training or services sold in substantial quantities to the general public by a public entity are

deemed to cover only necessary and reasonable program costs of that entity, a public Contractor whose earnings under this Agreement consist solely of such tuition and/or fees is not required to track expenditures under this Agreement with a view to determining program income.

3.6 Audits

The Contractor will respond in writing to any pertinent Findings, Conclusions, and Recommendations in the Reports of the Audit when requested to do so by the Board. Unless an extension of time is expressly granted, the Response will be submitted to the Board within thirty (30) consecutive calendar days from the date of the Contractor's notification of the Findings and Recommendations of the Audit. The Contractor may take exception to the particular Findings and Recommendations of the Audit. The reasons for such exceptions must be included in the Response. The Response must also point out corrections already made and state what action is proposed and the estimated completion date of such action demanded in the Audit's Findings and Recommendations. The Board will consider the Contractor's response and any additional information provided by the Contractor when determining whether or not specific expenditures should be allowed.

4. Non-expendable property

The Contractor agrees to follow norms set by the Office of Employment & Training and the Board for purchase of any non-expendable property with Louisville/Jefferson County Metro Government funds and for management and inventory control of such property, and, unless otherwise provided in the Program Narrative or Budget of this Agreement, to return to the Board, at the Contractor's own cost, any non-expendable property, whenever said property is no longer being utilized for Louisville/Jefferson County Metro Government purposes, or whenever a contract or relationship between the Board and the Contractor ceases to exist. The Contractor will return said property, if any, to the location specified by the Board.

5. Liability of Board

In no event will the Board or the Office of Employment & Training be responsible for, or liable to, any third party, including the Contractor, unless otherwise stipulated in this Agreement, for any damages of any type including but not limited to liquidated, proven, compensatory, or real, arising from or in any way associated with or attendant to, acts or omissions of the Contractor relating to this contract including but not limited to the Contractor's infringement of any United States patents, copyrights, or rights in data. To the extent allowed by Kentucky Law, the Contractor agrees to indemnify and hold harmless the Board and the Office of Employment & Training from any such claims or causes of action. If, however, the Contractor's liability is governed by KRS 44.070-44.160 and 45A.245-45A.275, those statutes will prevail.

6. Ownership of property

Contractor hereby acknowledges that WIB provides equipment and/or assets for the Contractor to use in its execution of the terms of this agreement. That equipment, including but not limited to that listed on Exhibit A attached to the contract shall remain the property of WIB. Contractor further agrees to procure insurance on said equipment as set forth in Section I: C11 of this Contract. Should this insurance fail to cover loss or damage to the items listed in Exhibit A for any reason, Contractor agrees to reimburse WIB the replacement cost of said item as set forth in Exhibit A within 30 days of the loss.

7. Hold Harmless and Indemnification

To the extent allowed by Kentucky Law, the Contractor shall indemnify, hold harmless, and defend the Louisville/Jefferson County Metro Government and the Board, their elected and appointed officials, employees, agents and successors in interest from all claims, damages, losses and expenses including attorneys' fees and court costs, arising out of or resulting, directly or indirectly, from the Contractor's (or Contractor's Subcontractors, if any) performance or breach of the contract provided that such claim, damage, loss, or expense is: (1) attributable to personal injury, bodily injury, sickness, death, or to injury to or destruction of property, including the loss of use resulting therefrom, or breach of contract, and (2) not caused by the negligent act or omission of the Louisville/Jefferson County Metro Government, the Board, or their elected and appointed officials and employees acting within the scope of their employment. This Hold Harmless and Indemnification Clause shall in no way be limited by any financial responsibility or insurance requirements and shall survive the termination of this Contract.
