

Gifts and Grants

The Board shall accept gifts and grants from private sources subject to the provisions of Kentucky Revised Statutes [160.580](#) and with the understanding that the purpose must be consistent with policies and programs approved by the Board. Professional services provided to the district as a gift or donation through a professional services contract or Memorandum of Agreement shall be approved by the Board prior to acceptance of the donation and before beginning services within the District.

Adopted/Amended: 05/13/2013

Order #: 2013-78
