

Regional School Programs Updates

5/10/17

*Our site visit from KDE for a finalist as an Alternative Program of Distinction on 4/19/17 went very well. They had positive feedback that day, and have noted that we should hear something by the middle of May. Thank you for all of your continued support.

*Kprep and EOC has been completed. Thank you to Bellevue Schools for loaning us extra staff to have on hand to assist with proctoring!

*RSP's final day of school for students is Monday, May 15th, noon dismissal.

*RSP awards and promotion ceremony will be Friday, May 12th at 12:00pm. Looking forward to seeing many faces to celebrate our students! (reminder regarding the construction of our driveway if you plan to attend)

*Field Day/Carnival will be 5/11/17.

*We have continued our meetings and new collaboration with NKU and are finalizing PD opportunities for the fall.

*Ms. Hellmann intends to provide a training on IEP updates in the fall, open to other districts in the region as well.

*NKU will provide a Trauma Informed Care training, also open to districts in the region.
