Re: **Boone County Schools 2017-2018 Code of Conduct**

The 2017-2018 Code of Conduct Committee has reviewed the current code and made changes to the code for next school year. Significant changes were made to the document for the 2017-2018 edition, including but not limited to the following:

- A review of the Glossary Section of the COC to add or update terminology
- A review of definitions for Tier 1, Tier 2, and Tier 3 student behaviors with changes made to the listing for Tiers 2 and 3 offenses
- A comprehensive review of the district's Technology Acceptable Use Policy
- The editing of language and design throughout the code for professionalism and appearance

Please forward the attached 2017-2018 text/draft edition of the Code of Conduct to the Board of Education for review and approval. Please note that the document is a text/draft document only. Once the content material has been approved by the Board of Education, the COC Committee will work with a printing company to format the text/draft document into a document that is both highly professional in design and user friendly. Thank you.
