**Consent Item:** Consider/Approve extending the current pricing with vendors for : Auto parts, eye exams, physicals, medical waste, and board depository.

**Applicable Statue or Regulation:** BOE Policy 01.11, 04.32; KRS 45A.345-460

**Budgetary Impact:** Will help to keep current pricing for one more year.

**Background and Major Policy Implications:** The District bids out various items on a bi-annual basis with the above listed items having been set for the even numbered years. We had numerous supplies/services to bid out when we started the "ODD" / EVEN year bidding of various items. By splitting them up we could better manage the bidding process. We have since started using multiple Co-op bid lists and therefore eliminated the need to continue bidding many items locally. The renewal contracts for these services will for one year. We will bid all items in May 2018 and then have just one cycle of bidding every two years.

**Recommended Action:** Renew contracts for supplies and services.
